

COMMERCIAL BUSINESS MEMBERSHIP PLAN

Annual Membership: \$10,000.00 + gst

Developed for mid-size companies operating as a general contractor in the commercial construction sector. This plan works well as the primary support asset of any safety management program.

As a **COMMERCIAL BUSINESS MEMBER**, you will be entitled to;

- ✓ A hard copy of the safety manual
- ✓ A Field Safety Guide designed for field use. (#¹ of field guide to be determined by size of member's field operation (fleet, crew supervisors, etc.).
- ✓ Safety documentation, (hazard assessment books, fall protection planning books, toolbox meeting report books, etc.²) as needed by the member.
- ✓ Access to a Dropbox folder. Excellent for access to all safety related documentation, regulations and more. In the field or office have your safety program as your disposal anytime anywhere the internet is available.
- ✓ Administration support (safety meetings, documentation processing, filing, etc.).
- ✓ Monthly Safety inspections (1 facility and 2 project safety inspections³)
- ✓ Staff orientations.
- ✓ Contractor Management Program included.
- ✓ Injury Incident Investigations, included in membership fee.
- ✓ WCB claims management and return to work program management included.
- ✓ Free WHMIS 2015 Training,
- ✓ 25% discount on certification training (First Aid, Fall Protection, Telehandler, Scissor Lift, Forklift)
- ✓ Free Annual FA PPE Safety.

PLAN NOTES:

- This program plan is designed to provide year-round safety program support for a business that employs less than 50 workers, managers / supervisors.
- The safety program developed for the SESC Member is guaranteed and build to meet the standards of the provincial certification of recognition (COR).
- Call center assistance includes assistance with OHS contacts. (Contact Reports, Demand to Produce Letters, Stop Work Orders, etc.)
